Vehicle cleaning tips for drivers

COMMERCIAL
PASSENGER
VEHICLES
VICTORIA

What should I clean?

Clean anything that your passengers might touch, including:

Door handles

(internal and external)

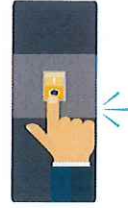

Internal handles above doors

Seats

Seatbelts

Window controls

Payment terminals

Boot lid

When should I clean my vehicle?

At the end of each shift

After a passenger leaves, if you think they have been unwell or sneezed or coughed while in the vehicle

What cleaning products should I use?

Alcohol-based wipes with at least 60% alcohol

Household disinfectant

Play your part in reducing the spread of Coronavirus (COVID-19) by keeping your vehicle clean.
